Subject: County Closeout Plan

John,

Please reply to all this morning with a copy of the county closeout plan including checklist and procedures so we can brief Carl and Mary this afternoon on them. There is now an expectation that the Community Liaisons will assist with this mission so we also need a script that Diane Taheri and Janetta Coats can use to align all of them with this mission through a conference call so that they all hear the same thing at the same time. You and your LNOs should be in on this call as well when Diane and Janetta hold it.
